

Global Online MBA

Digital perspective, global mindset.

The Online MBA for global change-makers, from Germany's top business school.

With WHU's Global Online MBA you will receive a solid General Management education. Next to the courses on various business administration topics, you will experience your very own leadership & career development journey. It includes a personality profile, personal & organizational growth sessions as well as 1:1 career coaching and career workshops. During the live-in week, you will meet your fellow students and top-notch faculty personally at WHU's Campus in Düsseldorf. You will finish your studies with a final MBA Project.

PROGRAM STRUCTURE

*Optional: Complete the program in 18 months. Contact us for more information.

An MBA that fits to your lifestyle – Total flexibility to transform your career.

WHU's unique online learning format ensures that you flexibly can work on self-paced learning modules during the week. Further, group work is an important part of the program. Here you will work on various case studies and group projects, in which you can prove your soft skills when working in a team. At the weekends, you will meet virtually with WHU's experienced faculty and listen to guest speakers from various global companies.
